

Early Decision Agreement

You, your parent(s) or guardian(s), and your school guidance counselor must sign the statement below *only* if you wish to apply to Dickinson College under Early Decision I or II. An application for Early Decision I or II without this completed Early Decision Agreement is considered incomplete and will not be reviewed by the Admissions Committee. **Do not apply Early Decision to Dickinson if you are uncertain about signing the commitment below.**

I wish to apply to Dickinson College as my first choice school under Early Decision I or II. I understand that applying as an Early Decision candidate involves a commitment to matriculate at Dickinson College, if admitted. I agree that I will not apply to any other institutions under an early decision plan and that I will withdraw my regular decision, early action, or rolling admission applications to other institutions if accepted under Early Decision I or II at Dickinson College. I have discussed Dickinson's Early Decision Agreement with my parent(s)/guardian(s) and guidance counselor. We fully understand and will abide by its conditions.

I am applying for: Early Decision I (Nov. 15) Early Decision II (Jan. 15)
